Once upon a time there was a boy named Zorn^{Zorn} is eight years old. It is snowing in this story.

Zorn woke up ~~in this idea that~~^{and} he wanted to go sledding.

His dad drove him to ~~us, letting to~~^{Zorn} a sledding place, and ~~we~~^{Zorn} climbed up a big hill with his dad. And then he^S led down.

~~Good day.~~ Dad took a turn. And then ~~his~~^{Zorn's} dad drove him home.

Then Zorn put his sled away, ~~to go outside and building in~~^{Zorn went to} ~~the side.~~^{igloo} He wanted to try and ~~do a camp in the igloo,~~^{to} but he knew it was too cold. So, he played for a little while ~~and~~ⁱⁿ ~~he ran~~^{the igloo.}

~~Got stuck inside and play with~~ and then he went back inside to get a little bit warmer

~~while he was inside he told he'd his parents asked if he~~

learned anything about snow and he told them ~~all snow~~

happens when it was is 32 or below and moisture from

lakes go up in the clouds. They freezing clouds. And ~~it turns~~
^{into snow.}

~~And eventually when there's enough it's too heavy for the~~

clouds and the clouds ~~like oh, and the cold and moisture~~

~~freezes and turns in to snow in that house.~~ Snow was ^{And that's how}

~~made next.~~ He got his dad and ask ^{ed him} them if he could go

^{ice skating} ~~sledding~~ with him. He said yes. So they drove their car. Of

course it has ^s no tires on it to ^{icy roads.} an ~~ice~~ age.

~~There wasn't that many people so and there was only like~~

~~three other people. So it was pretty. So they had lots of~~

~~space to themselves.~~

Then when they felt like they were done, ^{ice skating} and they had

lots of fun, they went back to ^{there} ~~the~~ house and ~~and~~ they

^{tell} went ~~and they~~ told mom and ~~he~~ ^{his} ~~told~~ ^{Sister} loving family how ice ^{is}
^{made} ~~how likes~~ turned into ice. He told them that ice is made

when it is 32 degrees or below and when it's 32 it takes a pretty long time to freeze and the colder it is the faster it freezes and he said that you have to make sure it actually ~~is actually~~ is pretty frozen like super frozen before you go ice skating on it.

He went outside to build a snowman. He went outside and built one but there weren't much sticks. So, he had to go looking for a little while and it turned out as parents knew he wanted ~~was wanted~~ to build a snowman in this snowy day. So, they ~~had~~ ^{hid} all the sticks and they ~~had~~ ^{hid} all the carrots and they had some coal and he knew the coal was so ~~he went~~ ~~so he went~~ outside he found all the ~~sticks~~ ^{sticks}.

They were ~~heading~~ ^{hiding} in the big pile of snow that they buried and he ~~looked~~ ^{looked} in the freezer. He looked and looked and ~~he~~ ^{he} finally found the carrot ^s and then he started ~~and~~ ^{to} make

and then he realized once she was almost done and just put the sticks in that you forgot to get the coal from Inside Out Your Berean inside, grabbed a bucket of coal well not a bucket but six pieces of coal and put them on the snowman. And then finally, he had the carrot on and then snap some clothes from his mom and dad to put on this snowman. And then he called them out to see it and they were pretty impressed.

Finally, he went back inside, and he watched a movie with his dad and mom, but he got to choose.

And also, he got his sister to and she and his sister got to pick out a family Christmas movie. And and she chose one they both like Robin, Robin.

So, the family watched it and then he went and he shows and he went to bed and and she wanted to do all the fun again tomorrow. But this time, do a snowball fight to
