

Beginning

Zorn's brother to play in the snow. Zorn is 8 years old. The setting is snow. It is close to Christmas.

First

Zorn woke up and decided he wanted to go sledding. He got his sled and went sledding.

Then

Then Zorn went back to his house to put his sled away. Zorn goes outside in his back-yard to build an igloo.

Next

Then Zorn went back to his house to get his ice-skates. He got his dad to go ice-skating with him.

After That

Zorn's dad blot him home. Zorn put his ice-skates away and put his boots back on so he could build a snow-man.

Finally

Finally Zorn went back to his house, and he had hot-chocolate while he watched a movie with his family. Fun facts! Did you know it only snows when 32 or below? Did you know snow forms it is 32 or below and the moisture in clouds freeze.
