

# Our Favorite Body Parts

Written by  
The Santa Fe School for the Arts  
Unicorn Class  
Fall, 2003

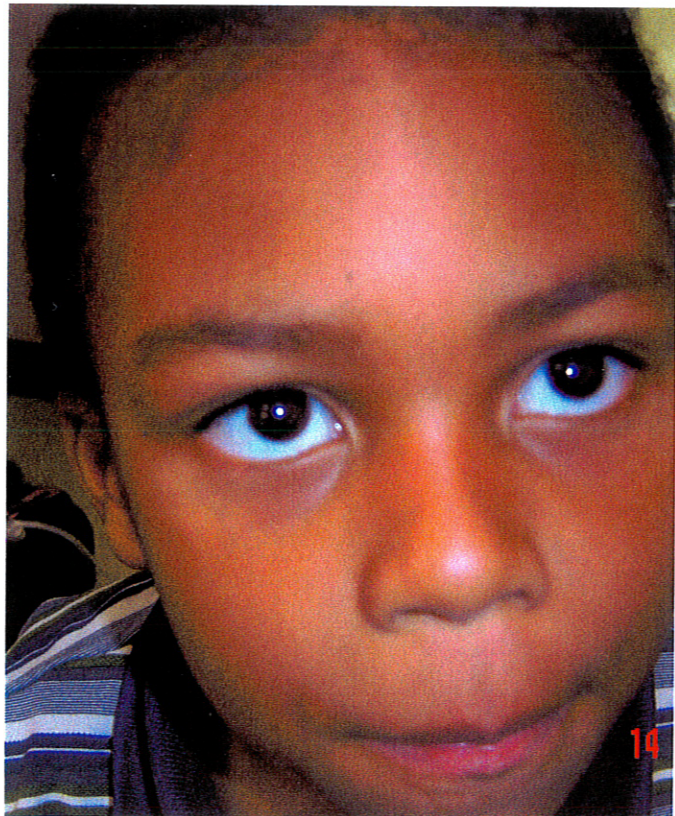

I like my skull and my head because it sounds really cool and it helps you by your brain thinking and your skull protecting you and it holds your eyes.

Lewis

I like my eyes so I can see the school everyday and I don't want any days off.

Khaleel

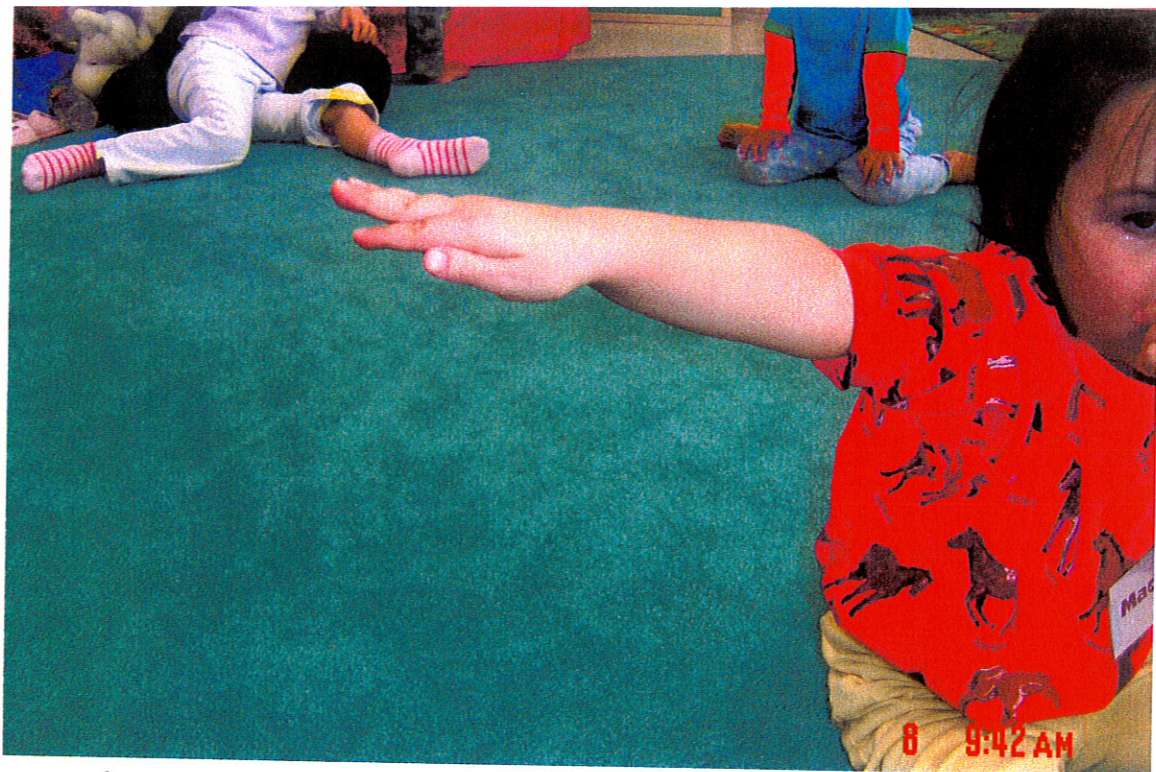

I like my  
eyebrows  
because they  
help me smile  
really good.

John

I like my eyes because they help me see and I like  
them and they help me sleep and God comes to me  
and then goes in my ears so I can hear him.

Kyler

I love my arm because I like to move my arm and stuff so I can give it air and I can go like this and be a birdie and I can feel something with my arm.

Madeline

I like my wrist because it helps you turn your arm. You can draw tornadoes.

Lauren

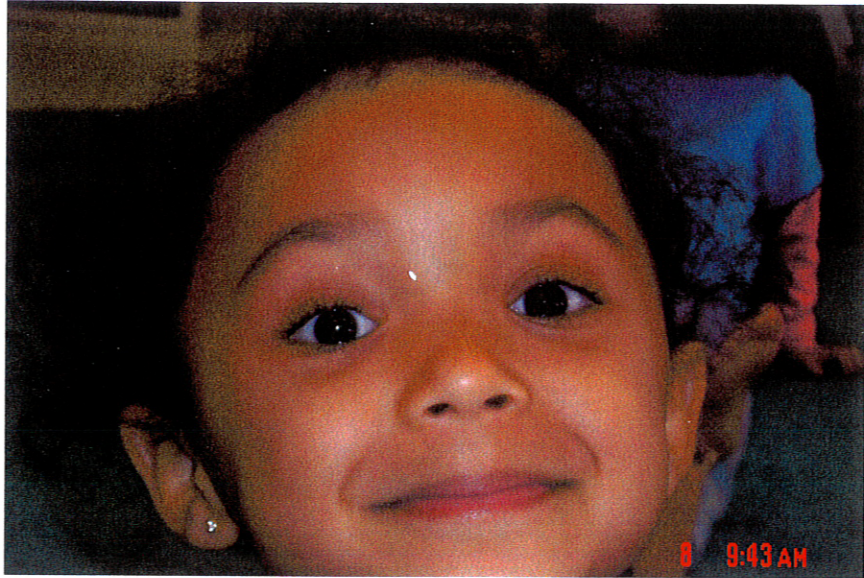

I like my breast so much cause the mom drink her baby for milk from her breastes.

Wyatte

I like my wrist cause if you didn't have your wrist your hand wouldn't be able to be there- it would fall off! And you wouldn't even be able to touch things.

Brass

I like my eyes because they help me see the future and the whole world and the sun and the cloud and the moon.

Jasmine

I like my mouth just because I like to taste with my mouth and I keep feeling happy.

Adrienne

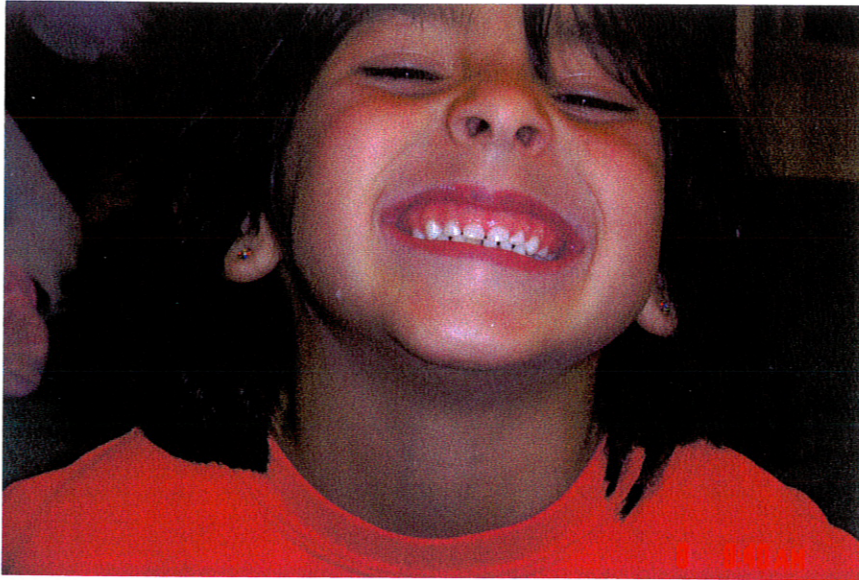

I like my nose because it smells.

Alicia

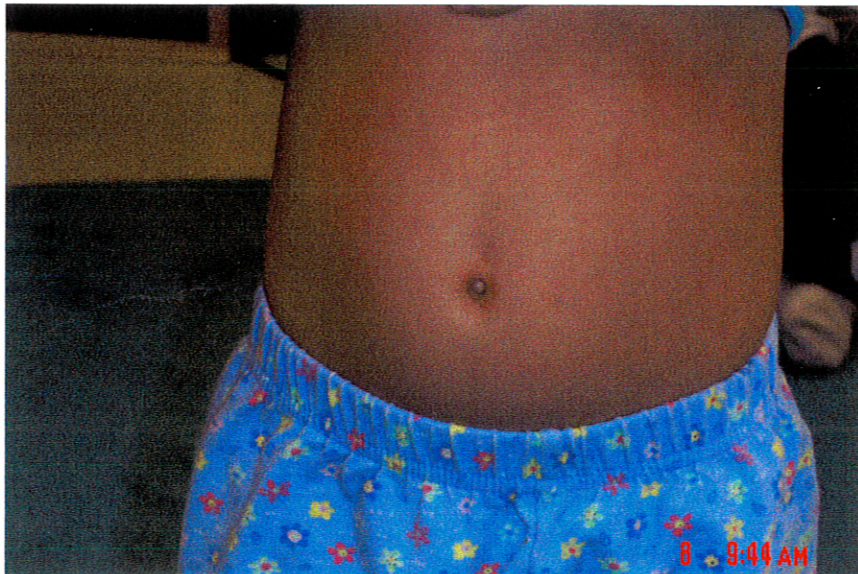

I like my eyes because they help me see and I like my eyes because I love them and because I like the black things in the eyes.

Sarafina

I like my teeth because if you lose one you get a dollar from the tooth fairy.

Kadyn

I like my tummy because you can tickle me.

Chime

I like my feet cause I can walk and I can walk without flying. I can actually be a ballerina. I can really stand on my tiptoes with my shoes on. I can actually kind of do good things like jazz and I can skip.

Merit

I like my foot cause I can walk with it and slip, like this.....  
Blue

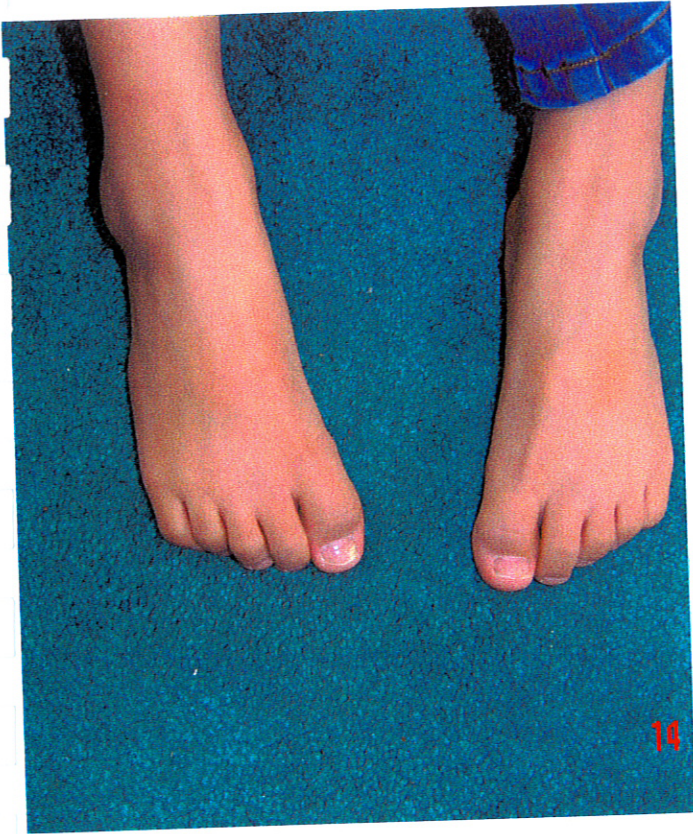

Me gusta mi mano porque lo uso mi mano para  
comer cereal y para jugar con mis juguetes.  
I like my hand because I use my hand to eat  
cereal and to play with my toys.

Gabriel

I like my feet because my feet make me walk and  
stomp and make me do silly things. I can make  
a funny face with my feet!

Louisa

I like my feet best cause  
I like to clean up my  
feet a lot and I wash  
them everyday.

Taelor

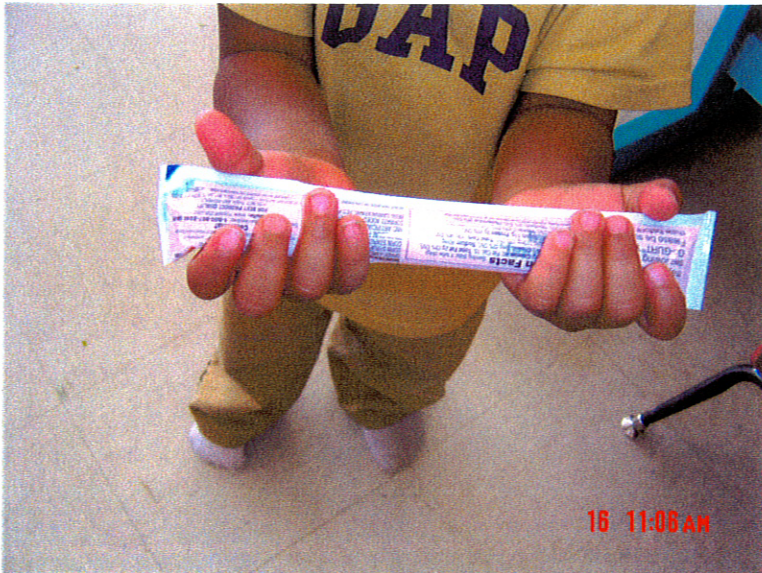

I like my teeth cause I can open my mouth and  
see my esophagus.

Will

I like my feet because they are good for wearing shoes.

Po (Sarah)

I like my hands because I need them to get a spoon or yogurt or something else. If I can't reach it, then my hand can get it out.

Russell
