

Somewhere In the Park

By Class 1-213

Somewhere in the park,
A boy is playing ball.

Somewhere on the round
track,
An old man walks around.

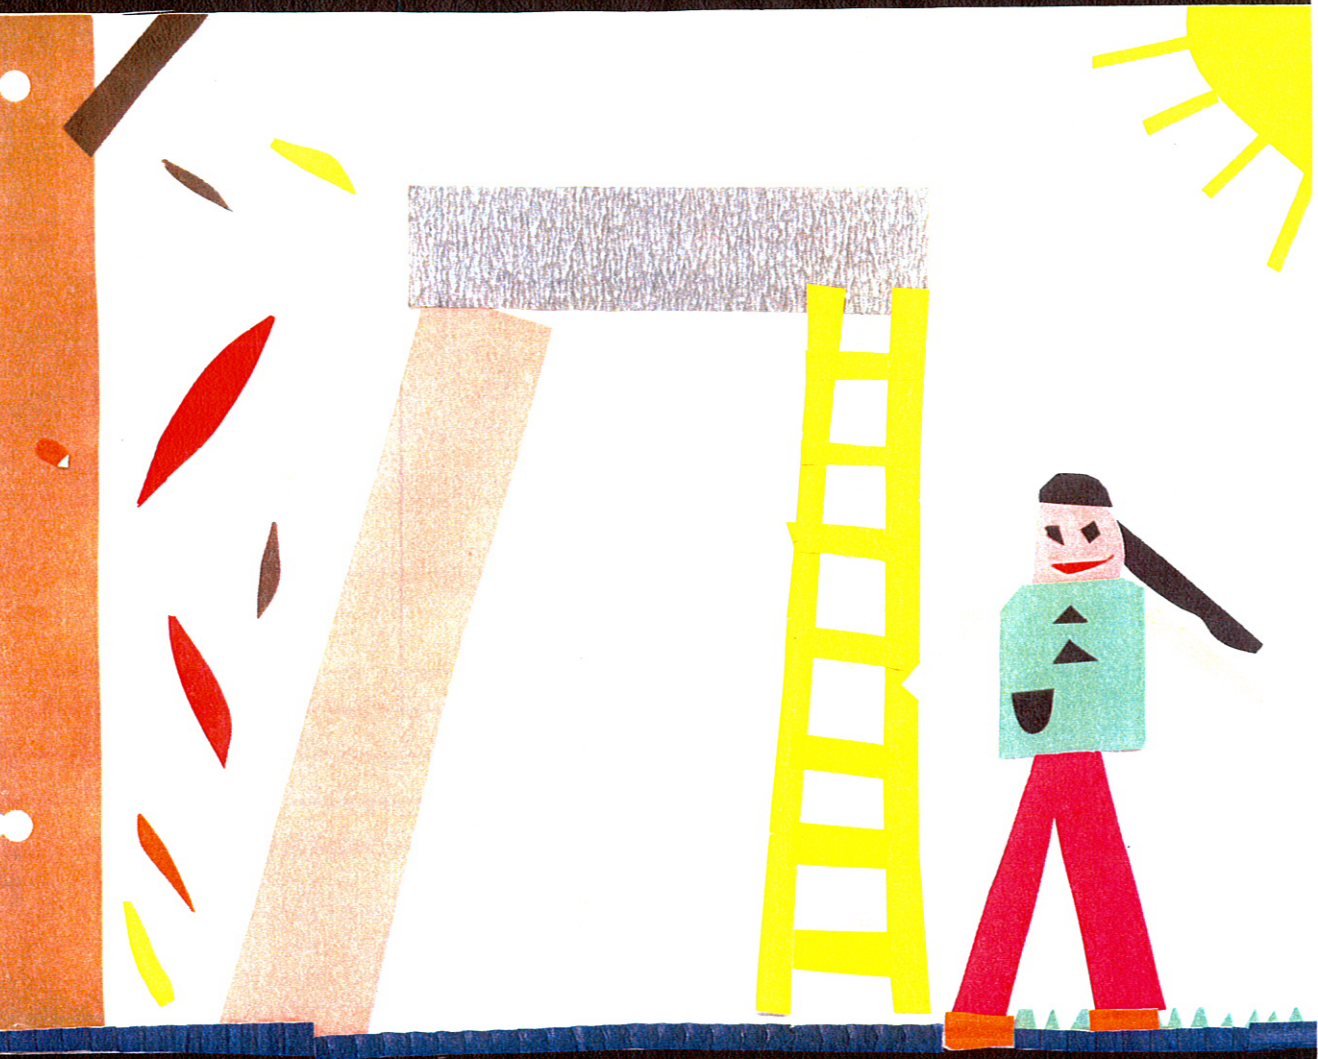

Somewhere inside the
fence,
A girl plays with the blocks.

Somewhere in the green
field,
A lady is dancing.

Somewhere on the long
path,
A man sits on the bench.

Somewhere in the
playground,
A girl goes up the slide.

Somewhere near the small
slide,
A child is on the bars.

Somewhere next to a tree,
A squirrel eats acorns.

Somewhere near the
treetop,
A brown nest can be seen.

Somewhere in the garden,
A mum grows from the
ground.

Somewhere in the park,
Every ball field or
playground,

People are always present
Where fun and games can
be found.
