TEKS: §117.52. Art, Level I, II, III, IV

- (1) **Perception.** The student develops and organizes ideas from the environment. The student is expected to:(A) illustrate ideas for artworks from direct observation, experiences, and imagination; and (B) compare and contrast the use of art elements (color, texture, form, line, space, value) and art principles (emphasis, pattern, rhythm, balance, proportion, unity) in personal artworks and those of others,
- (2) Creative expression/performance. The student expresses ideas through original artworks, using a variety of media with appropriate skill. (C) demonstrate effective use of art media and tools in design, drawing, painting, printmaking, and sculpture.

Modifications:

- Students can have extended time to draw circles and hand.
- More 1 on 1 assistance
- Students may use fewer blending colors.

Rubric:	
[] Burnisl	ning. All areas of drawing were burnished with either white pencil, OMS or clear
burnisher.	
[] Grada	tions. Students used a variety of colors to create new colors
[] Strong	color. Students used sharp pencils, creating deep color with no white showing
through.	
[] Care ar	d Effort – Student demonstrated growth in their ability. Class time was used
effectively. S	Student was on task 100% of the time and not talking to other students, daydreaming
etc.	
[] Craftsn	nanship. Extra debris is no present. Paper is not torn, colored in the wrong areas,
smudged.
