Once upon a time there was a nice, sweet,

white penguin who loved to cuddle and sleep

and walk! She had friends. A whale

friend and a giraffe friend and a

butterfly friend. Her name was Meeu.

Story Setting

The penguin lived in the Antarctic. There

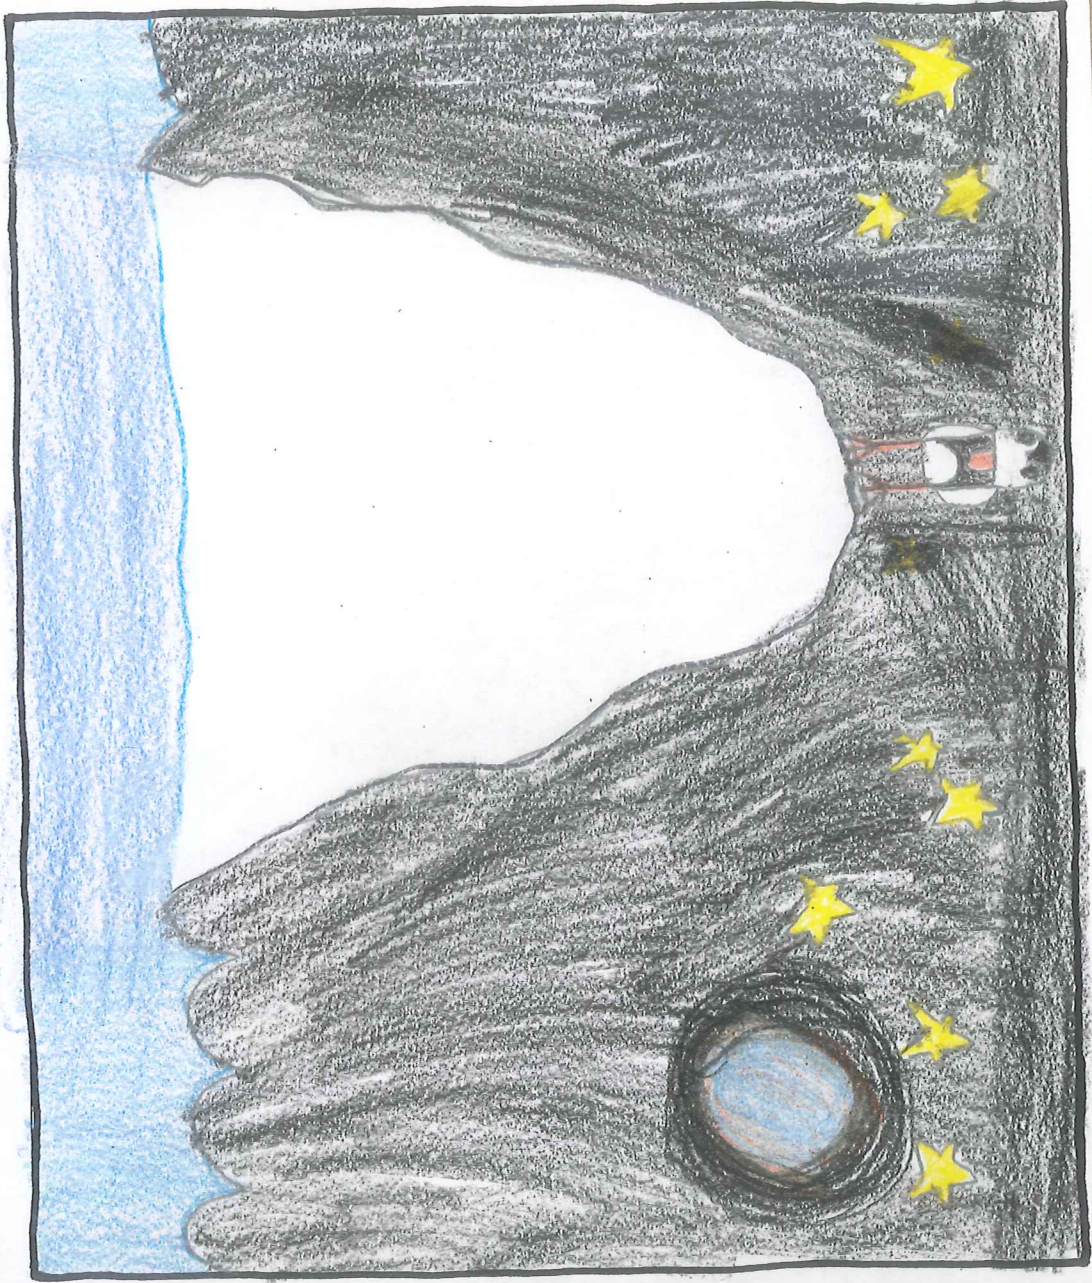

were mountains of ice. There was

freezing cold water. It was snowing.

The moon was shining brightly.

1 One day, the penguin was swimming in

the icy, cold water. She climbed on an

iceberg. She was floating. It grew darker

and darker.

Suddenly, she was lost.

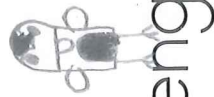

There were stars and a moon.

^{oo}Crash!  The iceberg floated into a rock.

She cried out, "Help!" She held on tight.

 The penguin tried to push the iceberg

back home. It was too heavy.

Next, she tried to swim back home.

The water was too cold.

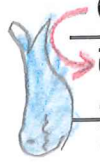

Then she looked down and she saw a

pink boat. She tried to float in the boat

but it started to sink.

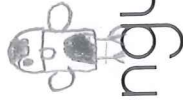

Luckily, a whale saw the penguin sinking.

The whale scooped the penguin onto his

back and swam her home! "Thank you!!"

said the penguin. The whale swam back

to the ocean.
