NOTE FROM THE DIRECTOR

A Note from the director of MUNCIE STRONG, Ra'Chelle Spearman:

First and foremost, THANK YOU for joining us tonight. After many wonderful months of studying SCHOOLS and COMMUNITIES, we could not be more excited to share our learning, hard work, and local community collaborations with you.

We set out with a goal to help educate ourselves and our local community about our history. With that, we searched for a play about Muncie History in order to help us learn. We checked with key people and places in our community, only to learn that there was no play. In collaboration with 2 Crew family members and Carnegie Library, we present MUNCIE STRONG to you today. We hope to see MUNCIE STRONG taken on by professionals at the local Civic Theatre, in order to continue educating our community long term.

After a visit to City Hall to tour and meet the Mayor, students were eager to discuss the Hall of Hope and how we could contribute to it. After brainstorming many wonderful ideas, students voted to proceed with Jasper Oldfield's idea of creating a community pledge. With another goal underway to help unify the City of Muncie through encouraging words, we were off with putting our ideas on paper. In collaboration with local writing expert, Andrea Mann, the City of Muncie now has a community pledge, highly regarded and recognized by Mayor Tyler. This pledge embodies the core of community and is essential to this play.

Parents, THANK you for sharing your children with me. Thank you for trusting me and partnering with me to help your students learn. I don't claim to be the best teacher, and your patience with me is something I'll work to pay forward to others.

2 Crew students (a.k.a my little grandmas and grandpas), you are very unique and each of you will do great things in order to make this world a better place. Although I believe I've seen glimpses of the men and women you'll grow into, I hope to hear amazing things about what you've done and accomplished in your adult years! You have made me a better person, and each of you mean more to me than I can put into words. I LOVE you so much and you INSPIRE me daily!

I've never been this attached to or felt this strongly about a group of kids before, not even during my first year of teaching. The past weeks, I grieved about them moving on...without me. I cannot imagine a more ideal classroom scenario including such amazing students and supportive parents.

To all in attendance, THANK YOU for your support and such a STRONG display of COMMUNITY. We are grateful you are here and look forward to presenting the history of Muncie, Indiana to you in MUNCIE STRONG!

Sincerely,

Ra'Chelle Spearman
