A stylized landscape painting. The sky is a deep, dark blue. In the upper right corner, there is a large, bright yellow sun. The foreground and middle ground are dominated by white, jagged mountain peaks and ridges. The mountains are rendered with thick, expressive brushstrokes, giving them a textured, almost abstract appearance. The overall style is reminiscent of mid-20th-century abstract landscape art.

E ho'ohuli.

About Kanu

Kanu o ka `Āina New Century Public Charter School (KANU) is a Hawaiian-focused, bi-lingual public charter school located in Waimea on Hawai`i Island, serving 220 students in grades Pre-K-12. Our motto “Kūlia i ka Nu`u” which means “strive to reach your highest level,” signifies our efforts to provide a quality choice in education, as well as our ongoing focus on growth and excellence at all levels, a standard set by Hawai`i’s native forefathers.

Kanu o ka `Āina literally means “plants of the land” and figuratively refers to “natives of the land from generations back.” This name reflects the commitment of our school, our leadership, staff, students and their families to perpetuate Hawai`i’s native language, culture and traditions, as mandated by Article X of Hawai`i’s State Constitution. It also demonstrates our efforts to assure that future generations of Waimea residents have the choice to remain natives of this land.
