**Technical Drawing Peer Review**

**LT:** I can create a technical drawing of my mining technique that shows all 7 technical drawing elements.

**Directions:** As you review your artist's piece, notate on this form whether the piece has appropriately used each element of technique. Use your project outline for more information on each element.

Criteria	Yes- Evidence	No- Evidence
1. Line		
2. Shape		
3. Proportion and Perspective		
4. Light and Shadow		
5. The Whole Drawing
