### OUR WINTER WONDERLAND DESMOS PROJECT FEEDBACK FORM 1

**Step 1: Complete the self-assessment below after you complete all of the steps for draft # 1.**

#### **Self-Assessment**

Check the box that applies.

- 1) Are there 2 or more different function types in your sketch? ☒ yes ☐ no
- 2) Are all functions labeled with the function types? ☒ yes ☐ no
- 3) Does your image contain a vertical and horizontal translation? ☒ yes ☐ no
- 4) Does your image contain one or more dilations? ☒ yes ☐ no
- 5) Does your image contain a vertical and horizontal reflection? ☒ yes ☐ no
- 6) Is your image personal and creative ? ☒ yes ☐ no
- 7) Did you complete your sketch by December 15th, 2023? ☒ yes ☐ no

If no, what prevented you from completing draft #1 by the expected day of completion?

---

---

- 8) What image are you creating in your project? How does this image represent you and your creativity?

I'm creating a snow globe and this image represent  
me and my creativity, because I always want  
to watch the snow and a penguin walk  
free.

- 9) What challenges have you faced with completing this project?

find the functions in my project.

---

---

---

- 10) What support do you need from your teacher(s) at this point in the project?

how do some imagen.

---

---

---

---

Step 2: Have a peer complete the peer-assessment below after you complete the self-assessment.

REVIEWER'S NAME: Estefani Ovalle

DATE REVIEWED: 12/15/23

1) Are there 2 or more different function types in the sketch?

☐ yes ☐ no

List the different function types below:

- 1) \_\_\_\_\_
- 2) \_\_\_\_\_
- 3) \_\_\_\_\_
- 4) \_\_\_\_\_
- 5) \_\_\_\_\_

2) Are all functions labeled with the function types?

☒ yes ☐ no

3) Does the image contain a vertical and horizontal translation?

☒ yes ☐ no

4) Does the image contain one or more dilations?

☒ yes ☐ no

5) Does the image contain a vertical and horizontal reflection?

☒ yes ☐ no

6) What were some of the positive things you noticed when looking at the person's first draft?

- The sketch is very well positioned and creative
- I like the little detail drawn
- I like the different types of formulas used for the small drawings

7) What are some suggestions you can offer to help this person improve for the second draft?

- One suggestion is to have the Sun positioned in the middle to have a reflection.
